SUMMER –BREAK

Back and Forth

by Lenore Hetrick

Think of the thousands of girls and boys
Who left their playthings and all their toys.
They came to school and learned to read,
Knowing in that way they would succeed.
And now think of the thousands of girls and boys
Going back to their playthings and their toys.
Happy as happy can be are they!
Happy because it's summer vacation today.

Dear Parents,

The much awaited summer break is around. It is time when children can relax and enjoy those little pleasures of childhood.

The school will reopen on July , 2024 To ensure that the children have a constructive holiday, some activity based holiday projects have been designed.

These projects can easily be done by the children following '*Learning by Doing*' approach.

Parents are requested to guide and assist only when required.

We hope these projects will provide an enjoyable learning experience for our little ones.

BUILDING CHILD-PARENT RELATIONSHIP

- **Be a buddy-** Play indoor and outdoor games within your house premises, like on terrace with your child e.g. Ludo, carom, cricket etc. Give platform to the children to stay away from gadgets.
- Show family albums to the children, get them connected to family roots and memories.
- **Talking time-** Everyday spend some time with your children listening to their thoughts, take their opinions, views on various topics. Give them freedom in making decisions.
E.g.
 - Menu for the breakfast.
 - Getting ready for the day.
 - Selecting books for their reading corner etc.

Family time-

- Encourage children to spend quality time with their grandparents to strengthen the emotional bond.
- **Let's watch together-** Enjoy happy T.V hours with your children. Watch constructive, meaningful and educational channels, movies and programs. Suggested T.V programs and movies: Ramayana, Krishna, Noddy, Ice age, kung-fu panda, Oswald, etc.
