# SUMMER –BREAK

## *Back and Forth*

by Lenore Hetrick

Think of the thousands of girls and boys  
Who left their playthings and all their toys.  
They came to school and learned to read,  
Knowing in that way they would succeed.  
And now think of the thousands of girls and boys  
Going back to their playthings and their toys.  
Happy as happy can be are they!  
Happy because it's summer vacation today.
