FROM PRINCIPAL'S DESK

Welcome to First Edition of our Newsletter with a focus on Transdisciplinary and Interdisciplinary approaches to learning.

In today's era, we are facing unprecedented social, economic and the most recently environmental challenges. Recently COVID-19 is the biggest suffering in all the regions around the world. But these forces are providing us with opportunities for human advancement. Future is indeed uncertain and unfortunately, we cannot predict it but we need to be open about it. To traverse through such uncertainty, our learners at D.A.V. PPS will need to develop curiosity, imagination, resilience and self-regulation. They will need to respect and appreciate the ideas, perspectives and values of others and move forward in face of adversity. Our learners will need to care about the well-being of their friends and families, their country communities and the planet. This is a difficult task, but an exciting one that we are developing collaboratively with our learners and teachers, using a trans/interdisciplinary approach to learning. Finally, I strongly believe education has a vital role in developing the knowledge, skills, attitude and values that enable our learners to contribute to and benefit from an inclusive and sustainable future.

I convey my heartiest congratulations to my team!!

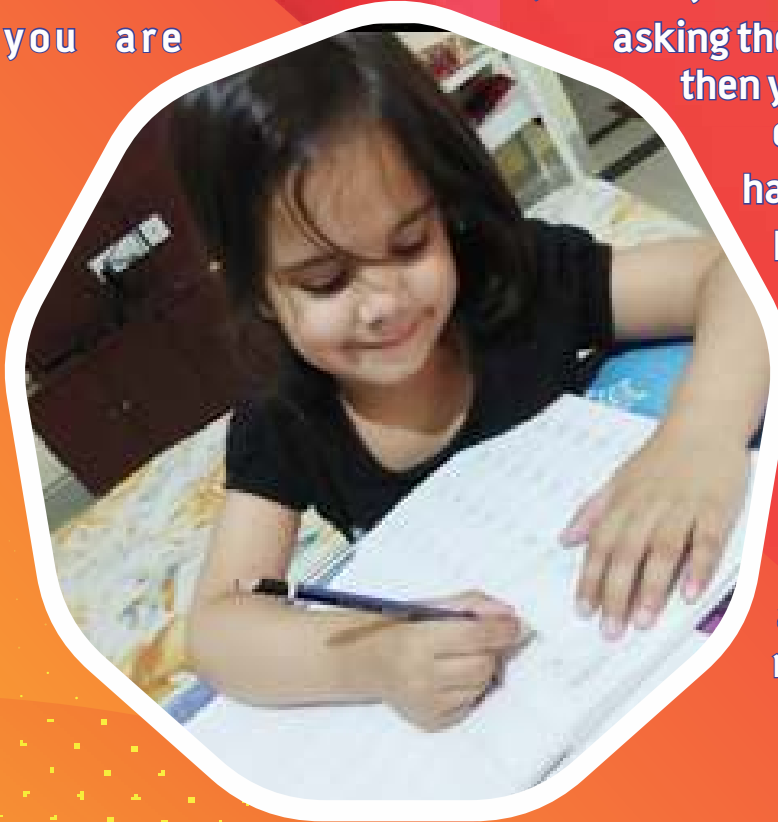

I hope you enjoy this edition.

"NO LOCKDOWN" ON LEARNING

We are seeing a state of "lockdown" unfold all over the world. These are early days of living a life we are not familiar with, and our mind keeps throwing out what - if scenarios like, "Will my family be safe?" "What if I get sick?" If you are asking these questions to yourself

then you are not alone. As far as the education is concerned the schools have adopted the method of Online Education. With this sudden shift away from the classroom in many part of the globe, all parents are wondering the adaptation of online learning will continue to persist.

E-education has turned out to be a novel thing for school students and more than them, for their parents as they are

struggling to help them understand the e-assignments and other online work.

The main bottleneck is in the need for teachers to adapt their teaching methods to the instrument. Here, in DAV PPS teachers are burning midnight oil to make this online education successful. And the parents are supporting at their best. The whole DAV family is standing united in this crisis and definitely wins over this situation.

"Teachers are the next level warriors , fighting for the nation and shaping the future of the country."

Digital Detox – Just Breathe without Internet

प्रिय अभिभावकगण,

जैसा कि आप सबको विदित है कि पिछले कई दिनों से कोरोना महामारी के चलते विद्यालय की ओर से ऑनलाइन कक्षाओं का आयोजन हो रहा है जो कि आज भी आप सब के सहयोग से सुचारु रूप से चल रहा है, जिसके लिए आप सभी अभिभावकगण धन्यवाद के पात्र हैं।

डीएवी पुलिस पब्लिक स्कूल प्रबंधन अपने विद्यार्थियों के स्वास्थ्य को लेकर भी निरंतर चिंतन में रहा है और समय समय पर योगा व्यायाम के माध्यम से सभी विद्यार्थियों को प्रेरित करता रहा है। पहले भी विद्यालय की ओर से आपको अवगत कराया जाता रहा है कि बच्चों को मोबाइल इंटरनेट का प्रयोग कम से कम करने दें ताकि वे इन चीजों के आदि न हो सकें। वर्तमान समय में विद्यालय के पास भी ऑनलाइन शिक्षण के लिए मोबाइल व इंटरनेट के अलावा और कोई विकल्प नहीं है जिस के माध्यम से ये कार्य सुचारु रूप से चल सके। परन्तु फिर भी यह महान चिंता का विषय है कि मोबाइल और इंटरनेट का ज्यादा प्रयोग विद्यार्थियों के मानसिक स्वास्थ्य पर गहरा असर डालता है।

इसी को ध्यान में रखते हुए हमने आगामी 10 मई (रविवार) को **"Digital Detox Day"** अर्थात् **"इंटरनेट से दूरी"** के रूप में मनाने का फैसला किया है।

इस दिन डीएवी पुलिस पब्लिक स्कूल, फतेहाबाद का कोई भी विद्यार्थी व स्टाफ सदस्य फोन व इंटरनेट का प्रयोग नहीं करेगा ताकि आप भी अपने बच्चों के साथ स्वच्छंद होकर कुछ समय गुजार सकें और बच्चों को भी कुछ मानसिक आराम मिल सके।

अगले सप्ताह से पांच कार्य दिवस रविवार तथा शनिवार एवं रविवार को सर्जनात्मक विकास हेतु गतिविधि आधारित शिक्षण होगा।

इन दो दिनों में न केवल आपके बच्चे बल्कि आप स्वयं भी मोबाइल व इंटरनेट आदि का प्रयोग न करें क्योंकि बच्चों के साथ-साथ आप का स्वस्थ रहना भी अनिवार्य है।

आप इन दो दिनों में अपने बच्चों के साथ समय कैसे बिताएं इसके लिए आप निम्नलिखित क्रियाएँ कर सकते हैं ताकि बच्चा आपके साथ अपने असली जुड़ाव को महसूस कर सके और उनमें भी सेवाभाव की भावना का विकास हो सके -

इससे न केवल उन का बौद्धिक विकास होगा बल्कि उनमें आपके प्रति अपनत्व की भावना का भी विकास होगा।

- # बच्चों के साथ कैम्बोर्ड, लूडो व शतरंज खेलें।
- # योग तथा आसन करें व करवाएँ।
- # उन्हें घरेलू कार्य में सहयोग के लिए प्रेरित करें।
- # बच्चों में अपना कार्य स्वयं करने की आदत का विकास करें ताकि वे स्वावलम्बी बन सकें।
- # बच्चों से जानने का प्रयास करें कि वो क्या बनना चाहते हैं।
- # नैतिक मूल्यों के विकास हेतु शिक्षण कहानियाँ सुनाएँ।
- # जीवन में विकट परिस्थितियों का सामना करना सिखाएँ।
- # बच्चों में समय पर सोने व उठने की आदत का विकास करें।
- # अपने से बड़ों का आदर व सम्मान करना सिखाएँ।
- # बच्चों के अंदर छिपी हुई प्रति प्रतिभा को खोजने का प्रयास करें।
- # अप्रैल माह में करवाये गए कक्षा कार्य की दोहराई करें।
- # देशभक्ति की भावना का विकास करें।

What parents have to say ?

As the world is getting digital so do our parents are. They did not let any stone unturned to make their kids' study hassle free and their active participation in E-PTM was commendable. Glad to see their enthusiasm to adopt this digital mean of interacting with school staff to know their child's performance. We highly appreciate their guts and efforts of continuously learning these digital means and helping us providing a streamlined education to the kids in this global crisis.
